In order for students to realize their full potential, they need to work hard and be encouraged to excel.

At KIPP Adelante Preparatory Academy, we focus on creating a safe and structured learning environment that will give students the opportunity to attend college.

We have high expectations for our students – both in academics and in behavior.

That is why we have a clear, consistent, and fair disciplinary system. Just as we demand hard work and discipline for our students, we also give them the support they need to succeed. Every student is given extra tutoring and enrichment opportunities.

KIPP STANDS FOR THE KNOWLEDGE IS POWER PROGRAM – A NETWORK OF FREE PUBLIC SCHOOLS WITH A NATIONAL TRACK RECORD OF SUCCESS. OUR MISSION IS TO PREPARE STUDENTS FOR SUCCESS IN COLLEGE AND IN LIFE. THE RESULT: 80% OF KIPP STUDENTS GO TO COLLEGE.

WE HELP STUDENTS LEARN BY:

- Requiring parents, teachers, and students to all sign a Commitment to Excellence form that sets clear expectations
- Extending the school day to 4:30 p.m.
- Offering extracurriculars such as orchestra, technology, and visual arts
- Requiring students to attend classes one Saturday a month
- Starting school two weeks before other schools
- Holding students accountable for behavior and academic success
- Having teachers available by cell phone after school for homework help
